

Problem in School?

Contact the Teacher

First, contact the teacher via email, phone, or a note sent with your child.

01

Need Learning Support?

Contact the Teacher

First, speak with the teacher to see when s/he is available for extra help either before or after school.

01

Contact the Principal

Next, contact the principal. Know you may be asked to speak with the counselor or assistant principal first.

**02**

Contact the Main Office

Next, check with the main office to see when Extended School Services (ESS) are available. Typically they are offered after school on designated days and times.

**02**

Contact Central Office

Then, contact central office. An appointment can be scheduled with the appropriate person based on your child's grade level to help address your concern.

**03**

Use Community Services

Then, take advantage of community services, like the public library, which offers on-site and online support.
